Colour selections.

Select from three premium internal colour schemes that have been professionally curated from our standard range of finishes by Interior Designers.

Organic (Light)

Echoing natural materials and textures, the Organic Scheme celebrates simplicity and understated beauty. The subtle white colour palette with natural wood elements invites pops of colour for an interior that is all about you.

Coastal (Medium)

Feel the tranquillity of a seaside haven with this beach-inspired palette of soft grey, sandy yellow, bleached white and dusty blues. Style with carefree fabrics and furnishings for a truly relaxed lifestyle.

Minimal (Dark)

Ultra-clean lines and a lasting modern impression is the hallmark of minimalist design. The trend embodied by a monochrome, yet functional colour palette, creating dynamic spaces full of contemporary mood and sophistication.
